

CAMP MOLR

SUMMER FUN 2024

We are excited to offer Camp MOLR to preschool and elementary age students! Camp MOLR is open to new students, former students, and siblings. We offer two 4-week sessions for our campers.

Fine Arts

Session I - July 1 - July 26

Session II - July 29 - Aug 23

Camp MOLR is offered to students ages 2-9 years old

Each week our theme will be taught in the morning, with time set aside for keeping up with the Montessori curriculum. In addition to our exciting themes and activities, we will have fun and entertaining in-house field trips for our campers.

Each week we will focus on one of eight fine arts:

Painting week - The campers will be introduced to tempura paint, oil pastels, chalk, and other interesting mediums.

Sculpture week - The campers will create their own masterpieces out of clay and dough.

Literature week - The campers will be introduced poetry, nursery rhymes, folk tales, fables and more.

Architecture week - The campers will have hands-on experiences working with sticks, legos, sugar cubes and blocks.

Drama week - The campers will act out poems, songs, and make their own puppets.

Dance week - The campers will learn many styles of dance, have dance parties, and perform for each other.

Music week - The students will listen to classical, R&B, jazz, rock, and pop music. We will incorporate musical instruments and encourage the students to make their own music.

In-house field trips will complement our studies and our elementary age students will venture off-campus for fun and exciting learning opportunities. As always, we will host our ever-popular Friday water days with a waterslide for elementary age students and lily pads and water tables for our toddler and preschool age students. Kona Ice for all will round out the day!
