

Camp MOLR Summer Fun 2025

Preschool & Elementary Age Campers **Academics*Themes*Adventures*Sports*Art*Drama*Dance** **and much, much more!**

We are excited to offer Camp MOLR to preschool and elementary age students! Camp MOLR will also be open to new students, former students, and siblings. We will offer 8 weeks for our campers.

Around The World in 8 Weeks

Summer Camp is offered to students ages 3-9 years old
Our Toddler program for 2 year olds continues on as usual.

Get ready for an unforgettable summer adventure! Each week, we'll explore exciting new themes while keeping up with the Montessori curriculum. But that's not all—our campers will embark on fun, in-house field trips that will make every day a new learning experience.

We'll travel around the world—one continent at a time! From North America to Antarctica, our campers will dive into cooking, art projects, songs, and games inspired by cultures across the globe. As they journey through each continent, they'll collect stamps in their very own passports, making their summer a world tour like no other!

In addition to our themed fun, we'll have in-house field trips that will enhance their learning, and our elementary-aged campers will get to go on exciting off-campus adventures. Plus, don't miss our Friday Water Days—complete with a thrilling waterslide for the older kids, and fun water tables and lily pads for our toddler and preschool campers. We'll wrap it all up with Kona Ice for everyone!

Spots fill up fast, so be sure to mark your calendar and let us know which weeks your camper would like to attend by filling out the "Re-enrollment Schedule Form." Don't forget to let us know if you'll be sending any siblings too! You'll only pay for the weeks you reserve, and if there's space later, we'll happily add more weeks for you—but please note, we can't offer credits or refunds for time missed.

Share this exciting opportunity with your friends and neighbors—this summer is going to be filled with fun, learning, and adventure!
